These driving directions are for your information only.

This route plan takes into consideration major road works and planned road closures for the date specified on main roads in France, Germany and Italy. Driving times indicated do not include rest stops or delays caused by road disruptions (such as traffic, weather...). The fixed speed radar locations (in France only) have been made available through a partnership with the French Road Safety authorities. For your own safety, please respect speed restrictions and remember to take a break every two hours.
